State with the view of a permanent residence, have passed through the city during the last week, for various parts of Ten Muddy Streets.

The streets, thoroughfares and crossing were in a very muddy and sloppy condiyesterday, the crossings especially being in some places almost impassable particularly to the ladies. Large Quanties of Grain

There are large quanties of grain in st at the receiving freight building of the Nashville depot which will be forwarded South as speedily as possible. The grain consists, for the most part of corn in sacks. Itemically Dull. Notwithstanding the election and the events attendant upon it, the city was com-

paratively dull of items yesterday, nothing of a startling or unusual character having occurred to swell our local jottings. Since the excitement growing out of the

threatened attempts at reconstruction has quieted down, business in the various departments is again looking up, there having been a considerable change for the better during the last few days. Real Estate Sales. The sale of Real Estate as shown in the

office of the County Court Clerk for the week ending Friday March 25, amounted to the sum of \$19,208,95 which is \$20,-550.05 less than the amount in similar, transactions for the preceding week.

Hitschn. The hackmen resped a harvest yesterday. The friends of the several candidates kept them running throughout the entire day. Golly! wish de lection would lass all 'de year 'roun," was the exclamation of one self-satisfied Jehu.

Religious Notice. Rev. Felix R. Hill, of Murfreesboro, will preach at the McKendree Church to-day at he usual hour, and also this evening at 71 o'clock. He is one of the most elegient. nd zealous members of the Methodist Church in the State and is always welcom

MESSES. MANSPIELD & HIGHER-Gentle en: I deem it due to you to state that our Magic Arnica Liniment effected a cure in what, apparently, was an incurable case. The facts are as follows: My wife was for several days afflicted with severe rheumatic pains in the shoulders and back. So severe were they that her rest was nightly disturbed. The customary remedies were applied, but gave no relief. Your Magic Arnica Liniment did the work in one hour, completely killing the pain. I may also add that a lady friend was, by its use, comletely cured of neuralgia by a single appli ation. No family should be without it Yours respectfully. HARRY BEEK.
